

TERRA NOVA LEVEL 2–ASSESSMENT GUIDE

Use the framework below to guide your planning and self-assessment as you reflect on the process you went through in the creation of your Level 2 Pitch for *Terra Nova*.

DEVELOPING	HOW EFFECTIVELY DID YOU . . .	EXTENDING
IDEATION, PRESENTATION, & ANALYSIS		
	Create a presentation pitch to communicate your level 2 ideation for Terra Nove and to increase your understanding of peoplehood, two-eyed seeing, de-colonization, and reconciliation	
	Generate, evaluate, outline, and select ideas and information to identify the focus for your level 2 ideation. Depth of analysis & planning	
	Adapt and use your analysis for your chosen presentation form – details, connection of ideas, does it clarify your ideas for your viewers? (infographic, video, audio, etc.).	
PROJECT PLANNING		
	Evaluate the possible impact of various organizational structures (placement, effects, intro, ending), techniques (sound, music, visuals, angles, lighting, colour, font), and transitions (effects, connections) in your presentation to achieve your purpose and to ensure unity and coherence.	
	Consider form & audience when creating sound, music, pictures, narration, dialogue, events, and/or writing captions. Select and adjust pictures and other visual or oral features to improve your audience’s understanding.
